# Introduction

---

This revised edition of GAO Library Periodicals represents a listing of the journals and newspapers which are a part of the collections of the Technical Library and the Law Library of the U.S. General Accounting Office. The list is arranged alphabetically by title with acronyms and abbreviations treated as words.

In addition to location and frequency of publication, holdings and retention information is included for each title.

Retention designations are shown by the following abbreviations:

P Permanent

PD Permanent/discontinued

Retention designations of 1 year, 3 years, etc., indicate that the periodical is retained for 1 year plus the current year, 3 years plus the current year, etc.

The GAO Libraries are open to suggestions for the acquisition of appropriate new, work-related titles and to ways in which the periodical services might better serve library patrons. General Information about periodicals located in the Technical Library can be obtained by calling 275-5180. Information about periodicals located in the Law Library can be obtained by calling 275-2585.
